Dear Tim, Regina and the rest of the members of the Milwaukee Church of Christ,

Thank you for your very kind gift of \$1380 which we received recently. Your generosity will make a difference in the lives of disciples all over the world. Our mission is to connect disciples and churches around the world. We are very excited to announce that because of the collective financial support of all the churches including yours, we have removed the subscription feature on the Disciples Today website! No more codes, user names, or passwords!!

Your financial support enables us to provide services such as:

- Free website access to everyone for www.disciplestoday.org (New in 2010!)
- Free important international announcements, events, etc.
- Free Church Locator and Campus Ministry Directory - the only source of information on all of our family of churches
- Free International News Bulletin template for your church for any website subscriber. World news from DToday and a template for your church announcements and news.
- Free Events Calendar for worldwide multi-church events and weekly eNewsletter updates
- Free access to websites specifically for Campus and Youth & Family.
- Free use of the Facebook type social network for disciples: www.DTSpace.net
- Free access to www.icocco-op.org for leaders.
- Online dating service www.dtheartandsoul.com available to all singles members of our family of churches (New in 2009!)
- Free live webcasting channel on www.dtoday.tv which includes major events such as conferences (leaders, campus, etc.) and in the future a library of classes on various subjects. (marriage, parenting, leadership, etc.) (New in 2009!)

Please share the attached article "[More Than a Website](#)" with your members so that they are aware of all the resources that Disciples Today provides for connection and spiritual growth in our churches. Also, notice the many wonderful disciples have volunteered their time and talents to make Disciples Today what it is today - the official media of the International Churches of Christ.

Enjoy reading about all the awesome things God is doing in the kingdom around the world!

Thanks again for your support,
